

No AUKUS! No War!

PEACE !

\$368 billion on Nuclear Submarines and U.S.-led Wars?

Or

Health, education, housing, people's needs and Climate action!

RALLY

Saturday 16 March

1.00pm

State Library, Melbourne

- **Get out of the AUKUS war pact**
- **Cancel the nuclear-powered submarine deal**
- **Keep Australia out of U.S. wars**
- **Spend the \$368 billion of peoples' taxes on people's needs and climate crisis action**
- **Adopt an independent foreign policy that promotes peace and justice**

The AUKUS war pact locks Australia into U.S. global wars, which could end in nuclear catastrophe. This military and political integration into U.S. foreign and defence policies not only risks a catastrophic war with China, but has made Australia complicit in the Gaza genocide.
