

# Do you want a **NUCLEAR REACTOR** in your backyard?

It won't look like this – more like this

But it IS still a nuclear reactor, with all the attendant problems! Like the possibility of accidents, and the unsolved problem of getting rid of the waste – there are hundreds of them world-wide, slowly rusting away.

**Is this what we want for Port Adelaide? For Australia?**

## **Come to a Public Meeting**

*To consider the implications of the AUKUS pact for the residents of Port Adelaide.*

### **Speakers:**

Prof. Al Rainnie, political economist

Sen. David Shoebridge, Federal Greens' spokesperson on Defence

Dr Amanda Ruler, Medical Assoc. for the Prevention of War

Rex Patrick, former Senator and submariner

David Noonan, conservationist with expertise on nuclear issues

**Sat. April 20<sup>th</sup>, 2 p.m.**

**St Bede's, 200 Military Rd, Semaphore**
