

PALM SUNDAY RALLY FOR PEACE AND REFUGEES

As the Albanese Labor government; backs Israel's genocidal war on Gaza; cuts funding in Gaza to United Nations Relief and Works Agency; joins the AUKUS military alliance with the US and the UK; spends \$369 billion on nuclear submarines (part of the plan to confront China); continues to mistreat refugees fleeing war and persecution, we need to stand up and say loud and clear, "peace not war". Join us at this year's Palm Sunday Rally for Peace and Refugees and demand:

- ◆ **Ceasefire in Gaza now**
- ◆ **Reinstate UNRWA funding**
- ◆ **No AUKUS military alliance**
- ◆ **No nuclear subs**
- ◆ **Permanent protection for all refugees**

**3pm, Sunday
24th March
King George Square**

Speakers include:

Remah Naji - Justice for Palestine

Cameron Leckie - Retired Australian Army Major

Janet Bailey - Qld Nurses & Midwives' Union

Vashini Jayakumar - Tamil refugee
